

*Your* heart couldn't be in better hands.

# U.S. News & World Report named Maine Medical Center one of the country's top 50 hospitals for "Heart and Heart Surgery."

## For Heart and Heart Surgery

The magazine evaluated 5,462 hospitals nationwide for its annual "America's Best Hospitals" report, which makes our placement in the top 50 for "Heart and Heart Surgery" a great honor. We couldn't be more proud. And we couldn't have achieved such honors without our stellar group of cardiologists, heart surgeons, more than 5,500 doctors, nurses and staff. But most of all, our patients. We thought you might find it comforting to know that your heart is in the best of hands.
